Hiring Committee

IT Department

FAST National University – Peshawar Campus

Subject: Application for Junior IT Support Assistant (Internship)

Dear Hiring Committee,

I am writing to express my interest in the Junior IT Support Assistant Internship position at FAST National University, Peshawar Campus. As a BS Computer Science student currently in my 2nd semester, I am enthusiastic about expanding my practical skills in a dynamic IT environment.

My coursework and self-driven learning have equipped me with fundamental knowledge of operating systems (Windows/Linux), networking basics, and troubleshooting techniques. I have practical experience assisting peers in software installations and system configurations, which aligns well with the responsibilities outlined for this role. Additionally, my participation in university workshops has strengthened my understanding of IT support processes and documentation.

I am passionate about technology and possess strong interpersonal skills, allowing me to communicate technical information clearly to non-technical users. I am eager to contribute my energy and dedication to your IT team while gaining valuable professional experience.

Thank you for considering my application. I have attached my resume for your review. I look forward to the opportunity to discuss how I can assist the IT Department at FAST National University.

Sincerely,

Muhammad Musawar Ali Shah.
